CONTRACTOR QUESTIONS AND GOVERNMENT RESPONSES

1. Question: Solicitation references a bid bond, and states, "Failure to furnish an Offer Guarantee in the required form and amount, with and as a part of the proposal, will be cause for rejection of the proposal." Is there a specific form required on the bond? I did not see one in the solicitation.

Response: See Amendment #2 and our responses to Question 23 and 25. The forms are provided by your surety. Applicable guidance for bid bonds is found in Article L1, "OFFER GURANTEE – CONSTRUCTION" on Page 53(a) of the solicitation.

CORRECTION TO OUR RESPONSE TO QUESTION #22 ON AMENDMENT #2

22. Question: In Section L.1 of the solicitation it states that a Bid Bond is required in the amount of 20% of \$35,000,000.00. Since \$35,000,000 is the maximum amount per year and there will be six IDIQ contracts, is this statement correct? Please advise.

Response: The requirement for bid bonds for the basic "shell" contract has been deleted. A bid bond of not less than 20% of your task order price proposal shall be submitted along with your task order proposal.
